

 **BluEarth** 109L UWB

OUR MOST FUEL-EFFICIENT TRAILER TIRE

- DURABLE CONSTRUCTION
- FUEL EFFICIENT PERFORMANCE
- IMPROVED RESISTANCE TO DAMAGE

In today's ultra-competitive landscape, only the most fuel-efficient trailer tires will keep you ahead of the competition. That's why we engineered the BluEarth 109L UWB: a trailer tire so efficient, it earns both the BluEarth brand and SmartWay verification. That means it performs where it matters most: your bottom line.

Optimized Sipes

Increased Siping greatly improves traction, for powerful braking in acclimate conditions.

Optimized Tread Pattern

The Advanced Tread Pattern with seven circumferential grooves rolls smoothly for improved fuel-efficiency.

Durable Construction

Yokohama Casings are so tough, all sizes of the BluEarth 109L are backed by a 6-Year, 3 Retread Warranty.

State-Of-The-Art Compound

An all-new, fuel-efficient Tread Compound provides one of the lowest RRCs in the category without sacrificing treadwear.

Zero-Degree Belt

The highly-durable belt package, incorporating our cutting-edge Zero-Degree Belt, assures a consistently stable footprint for long, even wear.
