DRIVE

DELIVERS YEAR-ROUND

The all-new Yokohama 714R is an open shoulder drive tire built specifically to provide serious all-weather traction and significantly longer wearing service to your pickup and delivery van customers.

FUNNEL-SHAPED STEP GROOVES
Prevent stones and other debris from reaching the bottom of the groove where casing damage can occur.

WIDE TREAD PATTERN
A newly designed tread pattern controls the ground contact pressure to deliver long original tread life.

TIE-BAR CONNECTORS
Control block movement to minimize heel/toe wear.

OPEN SHOULDER GROOVES
Wide lateral grooves provide excellent traction in wet or snow conditions.

ADVANCED COMPOUND
Provides significantly lower rolling resistance for improved fuel efficiency.

BACKED BY A 6 YEAR UNLIMITED RETREAD CASING WARRANTY
